

Barbara Arrowsmith-Young visits Auckland

August 14, 2013

Barbara Arrowsmith-Young, author of the International Bestseller *The Woman Who Changed Her Brain*, and founder of the Arrowsmith Program, will return to New Zealand in August 2013.

The Woman Who Changed Her Brain tells the compelling story of how Barbara tapped into neuroscience research and used neuroplasticity to transform her brain and life, then went on to found the Arrowsmith Program.

A cognitive program that addresses learning disabilities through neuroplasticity, The Arrowsmith Program is currently in 40 schools worldwide, with one school set to implement the program in New Zealand.
